

11L Clean Flow™ Bottle

057 series

Mold Number(s): R 430

An 11L, heavy duty rectangular tight head made of High Density Polyethylene. The package is ideal for use as a shipping container for a wide range of Chemicals and numerous general uses.

This patent pending design features a Pinched Handle AND a No-Glug feature. The pinched handle prevents product from crystallizing in the handle, which can lead to clogged spray nozzle tips. This feature also makes cleaning easier prior to disposal. The no-glug offers an innovative breather tube that makes pouring smooth and simple. This eliminates costly and sometimes hazardous splashing of chemicals.

PERFORMANCE SPECIFICATIONS

- No objection status for food contact applications from the Health Protection Branch in Canada and compliance for use in food contact applications by the Food and Drug Administration in the United States. Black tight heads excluded.

DIMENSIONS

Capacity	Rated	11 L
	Overflow	11.8 L minimum
Weight	Container Only	385 ± 10g
Dimensions	L x W x H	9.2" x 6.8" x 15.75"
Panel	Height	8.6"
